

# MEDISYS ON-DEMAND

YOUR YEAR ROUND, ON-DEMAND HEALTHCARE SOLUTION

## Have a health question or concern?

Medisys On-Demand is designed to address your healthcare needs by secure text and video chat - 24 hours a day, 365 days a year.

Medisys On-Demand is a virtual healthcare platform that provides 24/7, personalized medical support to you and your family members, allowing you to connect via text and video chat to nurse practitioners and physicians to answer any health questions or concerns you may have.

Medisys On-Demand delivers professional, virtual medical support wherever you are, at home, at work, or abroad. Through the platform, you and your family members will be connected to a Canadian healthcare practitioner within

minutes. You will benefit from convenient and secure medical advice, potentially saving a trip to a walk-in clinic or family doctor.

Medisys On-Demand services include: writing and renewing of prescriptions, specialist referrals, lab requisitions and virtual consultations related to non-emergency mental and physical health concerns, such as cold and flu, sinus/allergies, infections, digestive disorders, common rashes, anxiety, depression, smoking cessation, and more.

# HOW IT WORKS

Healthcare at your fingertips, anytime, anywhere. Getting started is easy and only takes a few minutes!

**Step 1:** Receive your unique registration link by email

**Step 2:** Download the Medisys On-Demand app on your smartphone or tablet

**Step 3:** Connect with your on-demand care team and speak directly with a healthcare professional via text or live video chat

## The Medisys On-Demand service includes:

- 24/7 text and video chat support from a team of healthcare practitioners
- Virtual consults related to non-emergency mental and physical health concerns
- Writing and renewing of prescriptions, specialist referrals, and lab requisitions
- Complete and instant access to health records for consults over the app
- On-demand virtual healthcare for you and your family members
