

CHILDREN PASTOR/DIRECTOR

30hrs/wk | Sun - Thurs.

Founded over 100 years ago, Parkway Church is located in the South end of Ottawa, Ontario bridging a rural // urban divide as the city sprawl moves out.

We are developing an early childhood ministry to partner with our parent's and the community in developing faith. Our current Sunday ministry sees a weekly nursery of 10+ kids aged 0-5, and PKWY Kids (aged 6 - grade 5) hosting another 10+.

Our summer camp attracts 100+ each year, and our community parent support initiative called Parent's Night Out recently sold out within 3 hours. While our summer camp carries a fee to cover costs, Parent's Night Out is designed to be an outreach/support to the community families around us.

During pandemic we initiated a parenting podcast - **Cue the Apology** (A parent's guide to faith at home).

As the need in our community for early childhood education/support continues to grow, we are looking to...

- Create/implement a mid-week program.
- Increase Summer Camp to 2 weeks (July + August).
- Start a March break Camp.
- Develop/host parenting education events with the city.

In this role we will ask that you...

- Come with a creative desire to develop faith and family ministries.
- Create connections with parents to learn/facilitate the needs and desires for the faith of their children.
- Continue in the development of our Nursery Program "more than babysitting..." (Shared Snack Time, Story, Song, Picture texted to Parents)
- Develop a mission for PKWY Kids.
- Manage volunteers through recruiting, training, and supporting them in ministry.
- Comply and implement Parkway Church's Plan to Protect Policies.
- Work as a team player with all other staff.
- Explore your calling to vocational ministry.
