INDEPENDENT AUDITOR'S REPORT

To the Members of Western Ontario District of The Pentecostal Assemblies of Canada.

Opinion

We have audited the combined financial statements of Western Ontario District of The Pentecostal Assemblies of Canada (the "Entity"), which comprise:

- the combined balance sheet as at December 31, 2022
- the combined statement of operations for the year then ended
- the combined statement of changes in net assets for the year then ended
- the combined statement of cash flows for the year then ended
- and notes to the combined financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements, present fairly, in all material respects, the combined financial position of the Entity as at December 31, 2022, and its combined results of operations and its combined cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We have conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

Page 3

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Combined Financial Statements

Year ended December 31, 2022

The legal entities contained in these financial statements are the Western Ontario District of the Pentecostal Assemblies of Canada and the Pentecostal Holding Corporation of Western Ontario (collectively the "Organization"). The Organization was established by letters patent issued by the Ontario government on April 23, 1987. The Pentecostal Holding Corporation of Western Ontario was established by letters patent issued by the Ontario government on April 4, 1945. The Organization is registered as a charitable organization with Canada Revenue Agency, while the Pentecostal Holding Corporation is not.

The Western Ontario District of the Pentecostal Assemblies of Canada is an organization which provides leadership, support, programs and guidance to the Pentecostal Church organizations and their members located throughout Western Ontario.

1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-for-Profit Organizations in Part III of the CPA Canada Handbook.

(a) Revenue recognition:

The Organization follows the deferral method of accounting for contributions which include donations and government grants. The principals under this method are as follows:

Unrestricted contributions and donations are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Registration fees, camp revenues and other operating revenues are recorded as revenue in the period to which they relate. Where a portion of the amount relates to a future period, it is deferred and recognized in that subsequent period.

Contributions restricted for a specific purpose are deferred and amortized into revenue in the period in which the related expenditure is incurred.

Endowment contributions consist of donations, the principal of which is to be held into future periods.

Notes to Combined Financial Statements (continued)

Year ended December 31, 2022

1. Significant accounting policies (continued):

(b) Property and equipment:

Property and equipment are recorded at cost. Amortization is provided over the estimated useful lives of property and equipment on a straight-line basis as follows:

Asset	Years
Land improvements	5-15
Building	20
Equipment	10
Furniture and fixtures	5
Vehicles	5
Computers	5

Land and buildings, which are held in trust on behalf of associated local assemblies, have not been included in these financial statements.

Repairs and maintenance costs are charged to expense. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the Organization's ability to provide services, its carrying amount is written down to its residual value.

(c) Donated materials and services:

The value of services and materials donated to the Organization is not reflected in these financial statements.

(d) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value. The Organization has not elected to carry any such financial instruments at fair value. Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Organization determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset that warrants a provision for impairment.

Notes to Combined Financial Statements (continued)

Year ended December 31, 2022

1. Significant accounting policies (continued):

(d) Financial instruments (continued):

If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(e) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. A significant item subject to such estimates and assumptions includes the valuation of the loans receivable. Actual results could differ from those estimates.

(f) Government assistance:

From time to time, the Organization applies for financial assistance under available government incentive programs. Government assistance earned is recorded under interest and miscellaneous income and included in the determination of the excess of revenues over expenses for the period.

(g) Deferred contributions:

Deferred contributions as described in note 8 are comprised of the following funds:

First Nation Indigenous Ministries

The purpose of this restricted fund is for expenses supporting First Nations & Indigenous churches and the development of their spiritual leaders. The expenses that qualify under this fund will vary year to year depending on the needs of the Ministries.

Crisis Partners

The Crisis Partners fund supports churches within the District who encounter unexpected and extraordinary circumstances requiring immediate financial assistance. The types of projects that qualify for the Crisis Partner program will vary year to year on an as-needed basis.

Leadership Fund

The Leadership Fund is to be held for projects specifically related to the development of Western Ontario District church credential holders.

Schroeder Family Fund

The Schroeder Family Fund has the purpose of supporting benevolence and mission with its funding derived from the endowments. The types of projects vary year to year depending on needs which align with this purpose.

2. Long-term debt and receivable:

In February 2011, the Organization entered into a loan agreement with a chartered bank for \$725,000 bearing interest at prime rate plus 0.5% and amortized over 20 years to finance the purchase of the Iglesia Evangelica La Paz de Cristo Church (the "Church"). The proceeds of the loan were directly used to purchase the Church property and the Church has been making blended payments of interest and principal in the amount of \$4,094 monthly directly to the bank. Accordingly, the Organization has set up a payable and receivable of the same amount and the transaction has no cash flow impact to the Organization in the current year.

Principal payments due over the next five years are as follows:

2023	\$	39,861
2024		41,156
2025		42,492
2026		43,872
2027 and thereafter		206,025
		<u>373,406</u>
Less: current portion of long-term debt and receivable		(39,861)
	\$	<u>333,545</u>

3. Loans receivable:

Loans receivable relate to amounts loaned to churches within the District with the exception of \$255,000 which was advanced in 2022 to an unrelated faith group as part of the sale of a property, of which \$22,817 is current. The churches holding these loans normally will not have the ability to repay until future growth increases their financial base. The majority of these loans are secured by mortgages or deeds held in trust by the Organization. The loans receivable are for various terms. The interest rates charged on these loans range from 0% to 6.59% per annum.

9. Contingent liabilities:

The Organization co-signs on portions of mortgages obtained by member churches and is therefore contingently liable to banks and other financial institutions for these mortgages. In the event that a church were to default on their mortgage or cease to exist, the Organization would be required to settle the debt and could do so utilizing the assets of the church. The carrying values of the properties exceed the amounts guaranteed.

At December 31, 2022, the Organization had mortgage guarantees in the amount of \$6,155,087 (2021 - \$6,469,754). The Organization had also guaranteed Letters of Credit in the amount of \$17,500 (2021 - \$17,500).

	<u>\$ 6,429,925</u>	<u>\$ 5,789,757</u>

11. Financial risks and concentration of credit risk:

(a) Liquidity risk:

Liquidity risk is the risk that the Organization will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Organization manages its liquidity risk by monitoring its operating requirements. The Organization prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to risk exposures from 2021.

(b) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Organization is exposed to credit risk with respect to the accounts receivable and loans receivable. The Organization assesses, on a continuous basis, accounts receivable and loans receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts. There has been no change to risk exposure from 2021.
