

## **FAMILY MINISTRIES PASTOR**

Equipping adults to nurture faith in the hearts of children

### **Who We Are:**

We are a healthy, progressive church that averages 600+ people in weekly attendance. Our mission is to connect people to Jesus and help them love God and others wholeheartedly.

We describe LakePoint to guests in this way...

- We are a church family with an even distribution of all ages
- We are a spiritual family that cares deeply about each other
- We are passionate about serving families in our community

Our pastoral team consists of 10 individuals and is structured around four departments:

- Operations
- Weekend Experiences
- Family Ministries
- Next Steps

### **Where We Are Headed:**

By the year 2027...

- **We will have become an IRREPLACEABLE part of our community** by having just as many LakePointers serve outside our walls as inside.
- **Kids will love to attend our NEW family ministries facility** where they will discover what it means to follow Jesus as we partner & equip their parents to raise the next generation.
- **We will be a church that celebrates LIFE CHANGE stories every week** and will have seen more than 100 people go public in declaring their faith as they pass through the waters of baptism.
- **We will have developed STRATEGIC PARTNERSHIPS around the globe** that bring hope and healing to the least reached and most vulnerable.
- **We will have established a DIGITAL MINISTRY** that provides practical content and personal connection to people not yet a part of our church and faith.

### **What We Are Looking For:**

We are looking for someone with the leadership capacity to lead and direct our family ministries.

Their primary responsibility would be to develop and empower the 100+ volunteers that serve in our family ministries. These ministries include:

- **LakePoint Kids** – our Sunday morning programming for infants to grade 5
- **Midweek Kids** – our semester-based mentoring program that serves as a mid-week outreach to families who have children in JK to grade 5.

### **Who Would Be a Good Fit:**

The ideal person will be both a motivator and a manager. They will have a college or university degree and church ministry experience. Their friends will use the following words to describe them...

- **Humble** – team player
- **Hungry** – eager to learn & grow
- **Hustle** – grit, drive
- **High EQ** – self-aware, socially savvy

### **How to Apply:**

This is a full-time position. LakePoint offers competitive pay, vacation and benefits. We also match pension contributions.

If interested, please send a one-page cover letter and resume to **debbie@lakepoint.church**. While we truly appreciate all applications, only those selected for an interview will be contacted.
